Overview

Stephen Sands is an attorney with MG+M's Aviation and General Liability Practices. He represents Fortune 500 companies, aviation companies, small businesses and individuals in complex, high-stakes litigation. His areas of focus include aviation law, general liability, product liability and construction defect matters.

Stephen brings a strategic, results-driven approach to litigation, drawing on his experience handling a wide range of disputes involving catastrophic injury, property damage, and alleged product and design defects. He regularly advises clients through all phases of litigation, from initial case assessment through resolution.

Prior to joining MG+M, Stephen represented private equity sponsors and their portfolio companies in complex transactions, including mergers, acquisitions and financings. His experience in both litigation and transactional matters provides him with a well-rounded perspective when advising clients with overlapping legal and business concerns.
