Overview

M'Kenzee is experienced in a wide range of civil litigation, including product liability, complex tort, first-party and bad faith, and general litigation matters. As a result of her varied legal experience, M'Kenzee brings a unique and valued perspective to our clients.

M'Kenzee has experience at every stage of litigation up to trial—from initial pleadings, removal and motions for summary judgment to offensive and defensive discovery and motion practice. She is passionate about helping clients understand and navigate the legal process and enjoys advocating on their behalf.

Experience

- + Obtained summary judgment for a cosmetic manufacturer in a Los Angeles talc litigation case alleging asbestos contamination in makeup and body powder products; the court sustained all evidentiary objections and granted the motion.

Involvement

- + [MG+M Trial Academy](#), 2025–2026 Participant
