Stephanie Chesney to speak on a panel at National Construction Defect Conference

October 27, 2021

MG+M litigation partner Stephanie Chesney will serve on the COVID-19 and the Lasting Impact on the Litigation panel during the 2021 National Construction Defect Conference. The session will review how claims are currently processed and outline how to limit future claims, draft effective contracts, and reduce risks on “active space” projects. The panel also includes insights from risk management specialists from RHP Risk Management and Turner Construction Company.

Hosted by Perrin Conferences, the event will be held in person November 10-12 in Fort Lauderdale. Perrin is the leader in joint plaintiff/defense conferences and event speakers include prominent plaintiff and defense attorneys, in house counsel, and insurance professionals.
