Pamela Gamble Recognized as a Midwest Trailblazer by *The American Lawyer*

May 3, 2022

MG+M The Law Firm Partner Pamela Gamble was recognized as a Midwest Trailblazer by *The American Lawyer* in its 2022 edition.

Pamela's Trailblazer award profile highlights how her personal guiding principle of helping others has informed her career, starting as a prosecutor at the Madison County State's Attorney's Office and including her current role as a partner at MG+M. Her experience advocating for elders and leading on accessibility issues at the state's attorney's office is rooted in the same principle as the work in her current role to offer mental health support at the firm throughout the pandemic.

“I want to lead by example, taking the initiative to open communication and to show all staff that people care and that we are here for each other,” Pamela notes. “Not only will this culture create a better work environment at our firm, but younger attorneys and staff who depart to other firms will bring those principles with them as they take leadership positions.”

Pamela is based in MG+M's Chicago office and represents clients in complex business litigation matters, including toxic torts, personal injury, product liability and commercial litigation.

The Trailblazer series recognizes professionals who have moved the needle in the legal industry. For this edition, *The American Lawyer* defined the Midwest as Illinois, Indiana, Iowa, Kansas, Michigan, Minnesota, Missouri, Nebraska, North Dakota, Ohio, South Dakota and Wisconsin.
