February 18, 2025

MG+M The Law Firm welcomes Adrianna Rudzinsky as a partner in our New Jersey office.

Adrianna is a proven litigator with extensive experience handling the defense of asbestos, mass tort, product liability, transportation and general liability matters in federal and state courts in New Jersey and New York. Throughout the litigation process—from the time the case is filed through trial—Adrianna effectively and efficiently implements strategies to help her clients meet and exceed their objectives.

Adrianna joins MG+M from a national civil litigation firm along with Partners Christopher Kozak and Colin Bé and a team of associates who started at the firm earlier this month.

“With great excitement, we welcome Adrianna to MG+M and are grateful for the valuable skills and experience she brings to our team along with her fellow partners Chris and Colin,” says MG+M Chairperson and Partner John B. Manning. “Her experience and concentrated focus on her clients' business objectives make her a clear fit for MG+M and reinforce the firm's commitment to achieving optimal results for our clients.”
