Brian Gross Discusses EPA's PFAS Priorities With *Law360*

April 30, 2025

MG+M Partner Brian Gross was recently featured in *Law360* discussing the US Environmental Protection Agency's newly announced list of 21 PFAS action items. The priorities reflect the agency's intent to establish a clearer liability and enforcement framework for PFAS manufacturers and product dischargers while also addressing protections for passive receivers such as wastewater treatment facilities.

Brian offers insight on the potential revival of previously withdrawn effluent limitation guidelines and highlights the continued uncertainty surrounding whether enforceable regulations will follow.
