

Chris Massenburg Named to 2026 Louisiana and New Orleans Super Lawyers Top 50 Lists

April 21, 2026

As part of our firm's regular Super Lawyers recognitions nationwide, we are especially proud to share that Partner [Chris Massenburg](#) was named to both the Top 50: 2026 Louisiana Super Lawyers list and the Top 50: 2026 New Orleans Super Lawyers list. The Top 50 distinctions identify the highest-scoring attorneys within the Super Lawyers selection process, with the New Orleans list highlighting leading practitioners based in the greater New Orleans area.

Attorneys across our firm are consistently recognized on Super Lawyers lists, including in Northern and Southern California, Delaware, Florida, Illinois, Louisiana, Massachusetts, and the New York Metro area. These recognitions are based on Super Lawyers' rigorous, peer-driven and research-based selection process, which evaluates attorneys on multiple indicators of professional achievement and peer recognition. Inclusion on a Super Lawyers list is limited to a small percentage of attorneys in each state.

Chris's recognition on the top lists reflects the same commitment to excellence, client service, and trusted counsel that defines our firm across jurisdictions and practices.

The full Louisiana Super Lawyers list and top lists are published in the [2026 edition of Louisiana Super Lawyers Magazine](#).
