

MG+M Edwardsville Office Now Officially Open at The Station on Main

June 1, 2026

MG+M The Law Firm's Edwardsville, Illinois, office is now officially open at The Station on Main, completing the firm's [transition](#) from its O'Fallon location and marking an important milestone in our continued growth across southwestern Illinois, Missouri, and nationwide.

Located steps from the Madison County Courthouse in the heart of Edwardsville's dynamic downtown, the new office strengthens MG+M's presence in one of the country's most active legal jurisdictions. Our regional team continues to play a central role in national trial efforts, with key members of our National Trial Team and our toxic tort liability, products liability and medical device litigation, employment litigation, and business litigation practices strategically based in Madison County.

MG+M occupies three floors within The Station on Main, a modern mixed-use development designed to support collaboration and client service. The location offers convenient access to on-site dining and shared outdoor space, along with strong connectivity to Interstates 55, 255, and 270 and surrounding regional highways.

MG+M looks forward to welcoming clients and colleagues to our new Edwardsville office as we continue to build on decades of trusted advocacy throughout the region.
