Congratulations to Javier Flores, a 2018 Recipient of the Boston Business Journal's 40 Under 40

August 28, 2018

MG+M Partner Javier Flores is a distinguished winner of the 2018 Boston Business Journal's 40 Under 40 award. The BBJ's 40 Under 40 is an incredible honor that recognizes young executives, entrepreneurs, and innovators who are positively impacting their respective industries throughout Massachusetts. These 40 individuals have climbed the professional ranks at a young age, while still finding time in their busy schedules to positively impact their communities.

Javier was selected by the BBJ's advisory board from over 300 nominations received this year, based on his outstanding career accomplishments, focus on success, and commitment to the Boston community. The 21 men and 19 women honorees represent the for-profit, nonprofit, and government sectors. Each of their inspiring stories will be featured in an upcoming special supplement of the Boston Business Journal. In addition, the 40 winners will also be recognized by the BBJ at a cocktail reception and awards ceremony taking place on October 17 at the Red Lantern Restaurant & Lounge in Boston. To support Javier in his achievement, you are welcome to attend this cocktail reception and ceremony by registering here.

A big congratulations to Javier on this outstanding honor. Boston's community and future are truly brighter, thanks to leaders like him.
