Transactional

Navigating transactions during any stage of your business can include daunting legal and financial risks and intricacies. Close collaboration with a skilled legal team is essential for assessing and addressing these factors effectively and safeguarding your business interests. Clients across industries trust MG+M to support their companies throughout the business life cycle. MG+M advises on the entire range of transactional issues, including M&A, corporate governance, commercial finance, commercial real estate development, health care transactions, private placement investments, and succession planning.

Whatever the size and stage of your company, MG+M helps find solutions tailored to your business goals. With more than 25 years of experience partnering with companies as trial and coordinating counsel on both a national and local level, MG+M offers a deep understanding of our clients' business and objectives. We apply that experience supporting companies with all of the resources at our disposal. MG+M's team-first approach guarantees that our clients' businesses receive tailored, specific guidance for whatever challenges they might face.
